**ROSELLE PUBLIC LIBRARY DISTRICT
POLICY FOR LIBRARY CARD REGISTRATION OF RESIDENTS**

I. Residents

A. Everyone who lives in the Roselle Public Library District is eligible for a Roselle Public Library District card. This card is required in order to borrow library materials.

B. All of the information requested on a registration card (except where marked 'optional') must be provided before a library card will be issued. The library requires proof of identity and residency, signature, and age.

The Illinois Public Library District Act, Illinois Compiled Statutes, Chapter 75, Article 16, Section 1-10 allows us to collect the information we ask for on the registration form.

C. Persons will not be registered unless proofs are presented as follows:

Examples of acceptable identity documents include: Driver's License, State I.D. Card, Passport, and School I.D. with Photo and Name.

Examples of acceptable proof of residency documents include: Lease Agreement, Vehicle Title, Bank Statement (within 90 days), Utility Bill (within 60 days), Active Insurance Policy/Auto Insurance Card, Voter Registration Card, Checkbook or Savings Account Statement (showing name and address).

D. A library card holder is responsible for all materials borrowed on his card, except as noted in the library fines and penalties ordinance of Library Policy Manual.

E. Persons under age 18 must have the signature of a parent or guardian as the responsible party.

If a parent or legal guardian applies for a card for a child under 18, or legal ward, the parent or legal guardian may be asked to present a form of identification and proof of residency for the individual for whom the application is made and for the parent or guardian signing the registration card.

F. Persons under 18 years of age who are minors emancipated by the Courts, and therefore having legal rights and privileges the same as an adult over 18 years, must provide court certification of emancipation along with acceptable photo identification and acceptable proof of residency in the Library District. These cardholders have the same responsibility requirements as a

cardholder or potential cardholder 18 years or older as stated in sections A through D.

- G. Court Directed guardianships – Persons of any age who are residents of the Library District for whom the courts have appointed guardianship for whatever reason must have the signature of the appointed guardian as the responsible party and show proof of identification and residency in the Library District.
- H. The registration form must be completed and signed in the library in the presence of library staff. In the case of a minor or ward applying for a card, the legal parent or guardian must have a current library registration card and signature on file and produce a photo ID and proof of residence.
- I. If a person under the age of 18 has two custodial parents or guardians residing at different addresses in the Library district, a card can be issued in the minor's name under each address. Each card will be kept at the specified address for use by the minor when residing at that address. Each parent or legal guardian will be responsible for overdue charges assigned to the card at their address. Each parent or guardian may be asked to present a form of identification and proof of residency.
- J. Roselle Public Library District residents not currently Roselle Public Library cardholders may apply on-line through the Library's website for a Roselle Public Library Temporary Library Card number. To receive a Permanent Roselle Public Library Card, the applicant must visit the Roselle Public Library in person presenting personal identification including a photo ID and proof of residency in the Roselle Public Library District. If the applicant is under age 18 years, a parent or legal guardian must accompany the applicant, providing the adult's personal identification and proof of residency in the Roselle Public Library District. The parent or legal guardian must sign the Library Card application as the responsible party.
 - 1. The Temporary Roselle Library Card Number is a one-time issuance, expiring seven (7) days from application, and may not be renewed.
 - 2. The Temporary Roselle Library Card Number enables the applicant to use on-line services and databases available through the Library's website and to place items on hold through the Library's website.
 - 3. The Temporary Roselle Library Card Number may not be used to check-out materials from the Library, is not valid for use at other public libraries in a reciprocal borrowing capacity, and is not valid for use to inter-library loan materials from other libraries.

- K. Roselle Public Library District Library cards are issued for three years from the date of issue, using a quarterly system. Library cards are only valid as long as the cardholder is a resident of the Roselle Public Library District. Library card accounts will automatically renew every three (3) years thereafter, provided the account is in good standing. Any cardholder who has recently turned 18 years of age should provide proof of age, identity, residency, and signature in person in order to renew his or her library card.
